The supervisor's duty is to fill in the score keeper form, hand over the certificate and supervise everything and to confirm with his sign the result, which he must report to WKF head office within 24 hours.

The supervisor must ask compulsory the promoter for purse and food money (maybe travel expenses) for both fighters at least 24 hours, by weigh-in before the event starts and hold on trust until fight is over and result is clear.

WKF recommend ...

Behave always as professional and change fighter profiles, few photos for advertising in high resolution. Perhaps a link to "youtube" from the latest fight would be helpfully too.

If you are not satisfied with the result, be kind and courteous. Make an official protest ringside immediately after the result by the attended supervisor. The final decision will be done by the WKF head office.

All details about rules and further regulations are written in the "WKF pro point fighting rules book"
